Fr. Nigel’s Personal Witness

Fr. Nigel was hospitalized with H1N1, pneumonia and secondary pneumonia in October 2009, and was near death. He was in a chemically induced coma for 19 days, after being put on a ventilator. He was then given a tracheotomy. After six weeks in the ICU and three weeks at a rehabilitation facility, Fr. Nigel was sent home to continue his recovery. His pulmonologist told him he was as close to death without dying that he had seen. Fr. Nigel gives thanks and praise to all the intercessors who lifted him up in prayer. He is alive because of prayer. Thank you Jesus!

The Reverend Nigel Mumford was born and educated in England. He served for six and a half years in Her Majesty’s Royal Marine Commandos and continued his education while in the armed forces. His last two years as a Marine were spent as a drill instructor at the Commando Training School.

His conviction to pray for healing came in 1989 when his sister, Julie Sheldon, a ballet dancer with the Royal Ballet in London, was healed by God through the late Canon Jim Glennon. This was a very dramatic healing from a disease called Dystonia, a neurological condition that curled her up into a fetal position and left her very close to death. Being a witness to her healing has had a profound effect on his life.

In 2004, Fr. Nigel was called to direct the Healing Ministries of Christ the King Spiritual Life Center in the Episcopal Diocese of Albany, NY. He was ordained a Deacon in the Episcopal Church in June of 2005, and was ordained to the priesthood on December 17, 2005.

His personal mission statement is: “As a drill instructor in Her Majesty’s Royal Marine Commandos, it was my job to teach recruits to kill or be killed. It is now a privilege to teach people to heal and be healed. My primary calling is to put people in touch with Christ the Healer, the Lover of souls.”
