1. What does presentation mean to you? Why do you think it is important to have a good presentation when promoting something--an organization or club, a product, a belief, etc?
2. What types of presentations are turn-offs for you? What kind of presentations persuade you?
3. What role do you think presentation plays in evangelism or the sharing of faith beliefs?

Samuel shows the importance of being silent and listening for God.

1. Discuss what you think this call, “Follow me and I will make you fishers of people” might have meant to these fishermen.
2. Do you think these men began with great faith? Why or why not? How might it have changed?
3. Why do you think these men were willing to follow Jesus?

Go out on the river of life. Look for fish close by. Present your faith lure and make sure it is real. Use a hook that will not damage others and be patient. Live for Christ and enjoy fishing for people.

1. In what ways do you look for fish close by? Do you feel that the Church has lost sight of this and, if so, how? What should be done differently?
2. What do you feel is your faith lure? What does being “real” mean to you? How do you present your lure and how do you make sure it is real?
3. How do you live for Christ? How do you see living for Christ and being real as an effective way of fishing for people?
